FORWARD

It is with great pleasure that I can have a part in this, our 75th year of producing Shorthorn Cattle. I will always say I will never forget my late grandfather, and my parents for starting and keeping on with a business that has given me as much pleasure, as well as a good living as these cattle. I believe that to be in a business for 75 years, means you have treated customers and people fairly through the years. I will say, these rules will not be changed as long as my name is associated with Shorthorns. When it became time for a sale we felt it would cut our herd too much, by having it ourselves. So we asked Bernard Scherer, manager of the Scherer and McGuire stock farm, a longtime friend and Shorthorn Breeder to consign a few cattle. He consented and I can honestly say he has put in nothing but the best.

ELCONA LANDMARK ELVIN

For Reference Only

In 1957 when we purchased the Leo Ehman herd, this bull was at the head of the herd. A wonderful show bull, and also a very good sire.

He was First Prize Senior Calf at the 1955 Indiana State Fair and was Fifth Prize Senior Calf at the 1955 International. We feel that we were very fortunate to be using two bulls in our herd that were first and fifth at the same show. He sired a steer that placed well at Denver last winter, and is a half brother to the Herman Carus herd bull that sired the first place pen of three bulls at Denver this year.

● KICKAPOO GIPSY CHIEF, Due to the fact, we are cutting down the size of our herd, and that we will have frozen semen from him, we feel he should go to some herd so that he can continue to breed and improve someone else's herd, like he has done here. Gipsy was first prize bull at the 1955 International as a Senior Calf. Also in the first prize Git of Sire, Junior Git and 2nd prize pair of Bulls. In turn he has sired a 6th prize heifer at the Illinois State Fair in 1958 and at the last International, a steer by him was 4th in the Carcass contest. Also he sired the top selling herd bull at the last North Central Illinois Sale.

● L. F. JOSHENA BROADHOOKS, This kind of heifer anyone hates to part with. She placed 6th at the Illinois State Fair in 1958 in a strong class as well as being champion female at numerous county fairs the past 2 years.

This is the first female from the Broadhooks family to be sold from our farm. They have all been good producers. I believe she will be one of the best to be sold this year.

She was bred to Levelway Purvis on March 24.

GOOD BULLS FOR GREATER PROGRESS

Investing in an outstanding purebred Shorthorn bull is the best way to progress in the beef cattle business. It is far cheaper to breed deep middles and naturally thick bodies on calves than to feed them on . . . and if a calf has not been given the right heritage, no amount of feeding and handling will ever develop it into a top animal.

A good Shorthorn bull will raise the standard of the calves from just average cow herds immediately . . . and owners of choice cow herds cannot afford to invest in a bull that doesn't give all the evidence of having the ability to sire calves equal or superior to their dams.

The bulls offered in this sale are just the type to lead the progress of the Shorthorn breed in the future.
